ABOUT US

Superior Arms, Inc., based in Wapello, IA, is one of America's pre eminent custom gun manufacturing facilities. Superior Arms, owned by Terry, Jim and Leo Williams, is recognized for the exceptional quality, craftsmanship and precision in firearm manufacturing. We believe that MADE IN THE USA is more than just an advertising slogan, it is a core management principal. Superior is proud to say that every item in our standard products is made in the USA. We provide customized service and delivery schedules, and our track record is without equal.

Superior's Quality Plan conforms to all points of ISO 9001:2000, MIL-I-45208, and MIL-Q-9858A. Seeking constant improvement is a hallmark of Superior Arms machinists and engineers. This philosophy is demonstrated throughout our entire business. We machine and manufacture on-site and are committed to producing precise, quality parts. Our technologically advanced engineering department allows us to design and prototype specific products based upon customer specifications.

Our strength lies in our superior quality and our extensive manufacturing assets. Superior's 15,900 square feet of manufacturing space is dedicated to manufacturing AR-15\M-16 style weapons. Our depth of experience, specialization, and sophistication allows us to control quality in ways that other manufacturers are unable to match. Superior's vast selection of manufacturing processes performed on site is virtually unmatched in the AR-15/ M-16 Industry.

Our drive for a higher level of customer satisfaction has enabled us to develop the strongest links with the most professional and forward thinking customers within the industry. As the marketplace changes, we work to ensure that our customers are offered state-of-the-art solutions for their business demands.

The Evolution of...

ABOUT OUR PRODUCTS

Superior Arms specializes in building AR15 weapon systems. Since this is the only type of product that we deal with, our product knowledge, selection and service are unparalleled in the industry.

Rifles

All of Superior Arms Rifles are produced in-house under our extensive quality plan.

We use only forged 7075 -T6 upper and lower.

Receivers

We hard coat anodize all aluminum components from maximum abrasion resistance and corrosion Protection per MIL-A-8625 Type III Class 2.

Barrels

Chrome lined barrels conform to MIL-STD-171, Finish 1.2.2.2, and QQ-C-320 Class 2.

We use high quality button rifled barrel blanks contoured and chambered at Superior.

All lower parts kits are standard semi auto single stage Military style fire control.

All Factory Rifles carry a Lifetime Warranty!

WARRANTY INFORMATION

WARRANTY

Superior Arms, Inc. products have a Lifetime Warranty to the original purchaser of a new complete firearm. We guarantee our products will be free from defects in material and workmanship. If warranty work is required, please supply a copy of the invoice for proof of purchase.

What is not covered by this Warranty

We will not cover damage of your firearm caused by:

- Failure to provide proper maintenance
- Accidents, abuse or misuse
- Barrel obstruction
- Hand loaded, reloaded or improper ammunition
- Unauthorized adjustments, repairs or modifications
- Normal wear and tear

What is excluded from the Warranty

Superior Arms, Inc. will not pay incidental or consequential damages under this warranty.

By this we mean, any loss, expense

or damages other than to repair the defects in the firearm or replace the firearm. No implied warranties extended beyond the term of this written warranty.

NOTICE

Superior Arms, Inc. sells stripped lower receivers to Federal Firearms License dealers throughout the United States. This allows the dealer to manufacture a rifle using our parts or our competitor's parts. The rifle may not be manufactured by Superior Arms, Inc. If you feel that the quality does not meet your expectations, please contact Superior Arms Inc. Superior Arms will confirm that the rifle, with a Superior Arms lower receiver, was in fact manufactured by Superior Arms, Inc., rather than from competitor's parts.
